Ashley Clark, DDS

Dr. Ashley Clark is a board-certified oral pathologist currently serving as the President of CAMP Laboratory in Indianapolis, Indiana.

She completed her dental school training at Indiana University and her oral pathology residency at University of Florida, where she was selected as chief resident in her final year. After residency, Dr. Clark started her career in academia, where she served in different capacities. She was also the nominee or recipient of numerous teaching awards. After nearly a decade in academia, she returned home to work alongside her mentor, Dr. Summerlin.

Dr. Clark has provided 100s of continuing education courses, including those for the American Dental Association, Chicago Midwinter, Academy of General Dentistry, National Dental Association, and many state associations. She is a delegate for the Indianapolis District Dental Society, the oral pathology advisor for the Academy of General Dentistry, a board member of Digital Dental Notes and Oral Cancer Cause, and a Fellow of the American College of Dentists and International College of Dentists.
